# Medical History

Although dental personnel primarily treat the area in and around your mouth, your mouth is a part of your entire body. Health problems that you may have, or medication that you may be taking, could have an important interrelationship with the dentistry that you will be receiving. Thank you for answering the following questions.

## Authorization and Release

I authorize the dentist to release any information including the diagnosis and the records of any treatment or examination rendered to me or my child during the period of such Dental care to third party payors and/or other health practitioners.

I authorize and request my insurance company to pay directly to the dentist or dental group insurance benefits otherwise payable to me.

I understand that my dental insurance carrier may pay less than the actual bill for services. I agree to be responsible for payment of all services rendered on my behalf or my dependents.
